

PRIMAIA TOSCANA BIANCO PRIMULA VERIS 2021

Among the best Tuscan whites tasted. A resinous band of fennel seed, baked apple, spiced quince and geranium hang from a stiff upper lip of grape skin chew and amphorae breadth, with porcini dashi and freshly laid tatami mat. Incrocio manzoni and viognier. Impressive length, with an oxidative waft and rub of pine needle to finish. From organically grown grapes. Drink or hold.
